The Story:

There is a new girl every Monday at this place and I try to get in first if I possibly can.

This girl suits my requirements perfectly. Slim, Asian, nice bum, small breasts.

My M.O. is going down on them then sliding in to finish.

This girl tasted good, wriggled a lot as my tongue did its work and my even have cum.

Lovely and tight.

No rush clean up, great punt for the money.
