### The Premises:

Nice House, Clean flat. Watch out for the low ceiling on the way to her room.

### The Lady:

Good looking, but +10 years on the photos (if they were ever her) now has very Short hair and a C-section scar.

### The Story:

If you want a delicate GFE with a nice massage then she'll be a winner for you, but she is not a PSE sexpot.

Started off with decent blowjob with good technique and fantastic ball-sucking, but no kissing allowed past the odd peck on the lips and she didn't like changing positions at all during sex.

Im a big fan of doggie and she isn't keen.

At times seemed a bit mechanical and maybe a bit hardened and cynical behind the bright Thai smile. Lost interest and was happy to leave early.
