The Story:

Started off a bit odd- the Cleaner was there (!)

Anyway after she left, got down to action. She was Dressed in fantastic agent provocateur lingerie and heels, which was soon all over the place.

The first 20 minutes were great- good deep blowjob, tit-wank and rampant doggy-style fucking, deep anal with her begging for more and screaming in spanish- only Neg was No kissing.

However 20 mins is about all she is up for- after that its "Im too hot... Ive been partying for days and im tired" gave me an ok handjob and blowjob until I came, but was totally paranoid about me cumming on her tits so I ended up using a tissue at the last moment.

Good but not worth that much cash..

Go for a Half-hour if she offers it as really she is stunning.
