### The Premises:

Discrete entrance in a parade of shops on a busy street. Clean and well presented room with shower - lovely friendly staff as usual

### The Lady:

Early 30's I would guess, quite short once the heels come off. An amazing fit body, great natural boobs, flat stomach not made in the gym according to Katleen - one hot good looking woman - better than photos

### The Story:

Katleen came in to the room after keeping me waiting for 10 minutes! wearn a one piece floral number. Started with sme sensual kissing - she has a very sexy feather light touch. Off came the outfit to reveal that amazing body. We moved on to the bed for some incredible oral - boy has that girl got some great technique. On to a 69 so I could get my mouth round her sweet tasting pussy. On with the raincoat for me to finish on top. Overall a fantastic punt - would highly recommend Katleen has a great attitude to her work and a banging body too.
