The Story:

OH...MY...GOD!!!

I have had many punts over the years but I can honestly say that Jennifer is the one lady so far who has pushed EVERY button I have :-)

I went for pretty much the full service which started with a great uncovered BJ with lots of eye contact interspersed with some nice kissing. Jennifer took it balls deep and sucked on the old under-carriage as well, as well as licking the shaft up and down and massaging my balls. How I didn't shoot my load there and then I don't know.

I then went down on Jennifer and soon had her moaning quite loudly as well as thrashing about the bed and getting incredibly wet and juicy downstairs. Back onto more OWO with Jennifer playing with my ring and fingering it a little, before she slid a cover on the old fella and proceeded in reverse cow-girl position to basically ride the life out of me. All the time her big tits were jiggling up and down and being squeezed and played with by me.

Jennifer then laid face down on the bed and we moved onto some good deep A Level before she whipped off the cover and had me flat on my back with my legs in the air. She took me balls deep in her mouth, played with my ass which felt like a prostate exam, before I finally exploded my load CIM which she delightfully swallowed down in one go.

Jennifer, you are AMAZING and I will definitely be back to see you again soon.
