### The Premises:

The usual place.introduce

### The Lady:

Pretty much as described on profile. Her unblurred photos provide an excellent indication of what to expect. Extremely attractive in my humble opinion with a lovely body.

### The Story:

I was looking for a gfe with someone different and FR 120730 provided assurance that I would not be disappointed. There was something very nice about the way that Tatiana, on entering the room, formally introduced herself and offered to shake my hand. This was followed by the customary kiss on the lips which quickly became a fk then a dfk.

Most the session was to be made up of bouts of dfk alternating with expertly delivered owo. Without being asked, she also licked my neck, nipples and scrotum quite a bit. I was enjoying all this attention so much that I declined her offer of intercourse. The conclusion was by hand while her face was buried between my legs giving my scrotum a lot of oral attention. Her profile expressly states that she doesn't do cim, my preferred method of completion, so I didn't ask. And what a climax it was - it seemed to gone on forever no doubt an outcome of the extent that she stoked me up.

Tatiana's definitely up there in the premier league of incall providers.
