The Premises:

A very clean, private flat near London Bridge station.

The Lady:

A slim, bottle blonde, Romanian girl with B/C cup breasts and a nice shapely bum.

The Story:

I'm sure I've been in this flat before although with a different girl. A very good session with uncovered oral and sex in the doggy position. A few of these sessions remind me of the walkups in Soho, but with a better location.

Worth a punt if London Bridge station is handy for you.
