The Premises:

Excellent location quite discrete next to a car park. Professional and courteous staff.

The Lady:

Very pretty blonde with an incredible body and beautiful smile. Good conversation if you need a chat but is also as happy to work in silence. Pictures on the website are accurate.

The Story:

I have seen Poppy multiple times. Her massage technique is great and helps to relax you. However, when you "turn over" she is out of this world. A real pampering and an erotic experience that will make you feel incredible. A lovely person too.
