The Premises:

Annabellas have two locations. Both flats are on the same street near the Milton Keynes shopping centre. They are easy to find, with plenty of parking, and decorated to a high standard. The phone receptionists and the "maids" are always very friendly and efficient.

The Lady:

Charlie is an extremely pretty young woman. She has a wonderfully slim and toned body - but it is her beautiful face that really captivates me. She is very easy to talk to, with a down-to-earth and friendly manner. Her petite physique is complemented by a very becoming enhanced bust.

The Story:

I have seen Charlie quite a few times now, and I have been impressed by the way she has taken the trouble to remember details about me as well as my preferences. She is very perceptive and makes a real effort to make sure that you are having a good time. She is always quick to pick up on whether you are enjoying a particular activity/sensation, and would like to have more of it.

I think that Charlie's profile on the Annabella's website mentions a wide range of services. I am sure that they are all available and that Charlie provides them with aplomb. Personally, however, I am just delighted to spend an hour in the company of the prettiest girl that I will meet all week - and the fact we are on a bed, naked and ready for sex is the icing on the cake.

If you are looking to meet a young, friendly, amenable and beautiful woman, I don't think you can do any better than Charlie!
