Basement flat, safe, fairly discreet.

The Lady:

Lovely brunette. Very pretty but also naughty looking. Great figure. Superb ass, tits and a lovely juicy looking pussy. Ensured that she dressed in a full black PVC outfit, thigh length boots, gloves and pvc bikini. Cock was aching as soon as she entered the room.

The Story:

I like a bit of dom, especially the rough stuff and Natasha is particularly good at this. I like a good kicking from a mistress so I asked Natasha to be particularly harsh on me. I had already visited her once before a few weeks ago and she had performed really well, so this time I wanted even harsher treatment. I like being verbally humiliated and visually teased whilst also being kicked around on the floor. Natasha carried this out to perfection paying real attention to what I told her I wanted. This humiliation and punishment went on for a good 25 mins by which time my balls were bursting with spunk. She then gave me lovely covered BJ interspersed with dirty talk. She then mounted my rock hard cock and started to ride me all the time playing the role of harsh, cold mistress extremely well. Then to finish doggy style - I had a wonderful view of the whole sordid scene in the mirror and soon I was squirting loads of hot spunk into her lovely pussy.

Till the next time Natasha - you have a confirmed fan here!
