The Lady:

Firstly Marisol is extremely attractive, beautiful olive skin and that exotic beauty look. She is Spanish but her English is great and her accent was a really big turn on.

The Story:

Over all I was very happy with my evening with Marisol. She arrived a little bit late although there was a few problems with the tube so it wasn't really her fault. She came eager to please and make up for lost time and was straight to business. We started with a massage which I found very relaxing and erotic before showing me just what she was capable of. After a rocky start it turned out to be one of the best bookings I've had.
