The Premises:

My first visit. I thought this would be somewhere to get an intimate massage, as I was visiting locally.

The location was OK, not luxurious, but reasonably ok

The Lady:

Sonia was nice and pleasant when I was introduced to her. Not my normal cup of tea, but pleasant enough.

The Story:

I'd not been here before and made the mistake that the title of the premises, indicated the nature of the business. I wanted an intimate full body massage. I never have sex only FBSM.

The experience started ok, with a reasonable massage, although no cc swipes etc. After about 10 minutes, I was asked to turn over, and asked if I was ready for sex now. I told Sonia I was only interested in a massage, which seemed to be at odds with what she was going to do. She then proceeded to give me OW, which I didn't really enjoy, it was all very mechanical. I suggested some other things that she could do, which brought the 'it will cost more'.... Eventually HR completed, and left after 35 minutes.
