The Story:

First time with Elise and wow what a time . Came into the room and started with some dfk then of with the bra and a good fondle and sucking of those lovely tits and nipples ,next an exploration of her pussy and arse with her first on her knees on the bed then on her back with legs spread wide for me . To bring the visit to its climax I was treated to a long owo which was one of the best Ive had with cim to finish. this must be one of the best punts Ive had and easily the best value for money . A shower afterwards to wash of the sweat I had generated and of on my way a happy punter . Would be happy to recomend Elise.
