The Premises:

Claudia's place is situated off a very busy road on an equally busy council estate. Parking is limited and getting there by public transport is difficult. Her place is on the top floor of a maisonnette which is not discreet as there are kids playing on the landing outside the house. The property stank of smoke, the massage room was a unmade bed with duvet thrown to one side. Shower was clean but that is the only redeeming feature.

The Lady:

Claudia is petite, dark skinned, dark hairs and eyes. She's about 160cm tall. Small breasts and bum.

The Story:

I was in the area when I decided I would love a massage. The usual haunt was unavailable as they've gone on holiday. Instead, I found Claudia's place and was informed I could have a massage (gave a variety of options) and if I wanted to, £20 extra for sex. I declined and simply wanted a relaxing massage. Instead, I got a poor attempt at a massage, smothered in oil and within a few minutes told to turn over. No attempt at working on any other part of my body but my back. Once turned over, she smothered my title in oil and went at it. Got to admit, her hand was very good at massaging my penis but her intermittant yawning and lack of effort was unappealing in the slightest. In less than 40 minutes I was showered and out the place. One of the worst experiences ever. Total waste of time.
