The Premises:

Well known, very clean, very good shower, lovely receptionist - just a place that shows it is pleased to see you.

The Lady:

A student-type look in this young lady and that appealed very much to me when I saw her arrive in her street clothes. Then in the room she was a young lady now wearing a similar outfit to her pics with high heels so such a lot of young, neatly curvy flesh, a sexy outfit and the high heels made a huge impression.

The Story:

Lilly is very pleasantly natural and positive in her manner, happy to hold a conversation but always looking to pay attention to ensuring you have a very enjoyable time..

I didn't ask her to do anything as I was happy with a friendly, sexy vanilla service so I am not sure what else Lilly would do but she was proactive in letting her hands wander, in kissing on the lips, in making her rear end available for a fondle, in suggesting 69 and in initiating sex. All perfect for me.

After the main action she was keen to use any remaining time with a massage or whatever I wanted. I was happy with a front massage and more of the chat which I was mainly to blame for if that is the right term.

Will I return - of course I will. Who wouldn't want to see a student-age, pretty blonde lady who is comfortable in sharing her sexuality with her customers and keen to ensure they have a satisfying time.
