The Story:

Greeted by Amy me being a first time visitor so was not sure what to expect asked how long said 1 hour paid £90.00

Offered water which i never got, had shower went to room no real talk, asked to remove clothes had nice back massage for 30 mins then asked to turn over

Amy then proceeded to undress tried OW and then straddled me for sex but as she was not my kind of person as she was rather big person for my liking not like previous reviews i was not aroused enough to get erection tried by hand failed.

Not what i was expecting no foreplay a real disappointment for my first Thai massage and after just 30 mins of one hour booking i left, asked if i could get part refund she said no.

Really disappointing but being naive first timer i have learnt from this experience and as no reviews since 23 December 2013 i would not recommend.
