The Story:

I was nervous at first as this is only my second time visiting a place like this however I was greeted by a friendly receptionist who showed me to the room were I was offered a shower, I was told to make myself comfortable and that Sam would join me in a minute. Within 5 minutes the lovely Sam entered looking absolutely stunning and immediately started to have a chat with me which helped to relax me, she gave me a nice back rub and my balls a tickling before asking me to turn over, then she started with the bj (owo) which was amazing this girl knows how to suck a cock nice and deep nearly had me blowing straight away. Sam was very passionate lots of touching and kissing which was good she also knows how to tease you with her lovely big boobs after some oral both ways it was on with the condom, Sam got on top and gave me a good riding there was no holding her back she was really going for it, we also did missionary and doggy style all the time Sam was very enthusiastic with lots of moaning she really gets into it, after we were finished I was again offered a shower, we had a chat before I left with one last kiss. I will be definitely be going back to see Sam again, I would normally consider myself as a bum man but Sam is changing me to a boob man with that wonderful pair, can't wait till next time.
