### The Premises:

Nice and clean room, was offered a drink of my choice and toilet facilities if needed. Parking around can be a hassle but if during the week, you should find a spot.

Afterwards was offered a shower and towel.

### The Lady:

Exactly like the photo's. lovely tight body, fantastic breasts and a tight ass. she is quite petite as her profile says.

### The Story:

Upon meeting Amelia, gave a kiss on the cheek. She asked me if I had been here before to which I replied yes. She indicated that I get undressed and lie on the bed. Nice amount of chitchat while in massage mode. The mirrors in the room I had were fantastic in giving me a good look at her while I was face down. Started off around my ankles and moving up my legs to my bum, when she hit my back she started the body to body massage that I requested. As she went all over me including arms, neck, hands I kept looking up occasionally just to admire her. She then started tickling my balls with her nails to wake me up and was told to turn over. On my back she continued all along my chest with some great body to body and even gave me a motor boating experience with my hands down. She then switched to a 69 position and kept massaging while giving me a fantastic view of her pussy. All the time on my front she kept teasing my cock and tickling my balls. Started to get more concentrated around my cock and with her facing me and shaking her boobs brought me to a happy ending. The whole experience didn't feel rushed and was quite erotic. All I can say is, Fantastic massage, Fantastic lady and I had a Fantastic time! I will certainly be back. Thank you Amelia.
