The Lady:

Alana has a selection of photos on the HoD website, some smiling, some looking more serious. I was unsure what to expect, but was delighted to find that the smiling images were a much more accurate reflection of her character. She has a perfectly formed body, with small pert breasts, beautiful dark eyes and a couple of tattoos, including a rather attractive one on her neck. As mentioned, the smiling photos are an accurate description of Alana. I was not disappointed!

The Story:

After meeting Alana and settling the paperwork, she returned, and we spent the first 10 minutes getting to know one another, and learning about each other's cultures and pasts. I discovered Alana is from Romania, although she has been here a while and speaks excellent English, unlike some of her compatriots. Unusually she showed a lot of interest in me too; a very attractive quality I find. After a while we helped undress one another, and I took the opportunity to explore Alana's cute body, kissing her all over. Eventually she asked if I was ready to take the pleasure to the next level, and on came the hood. Alana demonstrated her 'slow' and 'fast' techniques, asking which I preferred, and pursued with her delightful 'variable speed' method, making regular eye contact, for a good five minutes or so (the HoD website does not specify what services Alana offers, although previous reviews describe OWO. However her OW style was so good, I did mention this; nor was I disappointed).

After that I suggested that I return the compliment, and Alana was more than happy for me to do this. Without making any exaggerated moans, she appeared to enjoy my tongue technique, and said she would be happy for me to go on all day in that fashion, to my amusement. If only that would have been possible!!!

Soon Alana pointed out that time was against us, and suggested that we move things on, and

knowing exactly what she meant, I happily agreed. I asked her to choose a position, so we started with her on top, and I let her take the initiative at first. We started off slowly and passionately, with me occasionally taking control, and at other times letting Alana determine the rhythm. Much as I was enjoying this, I wanted to try a different position, and realising that time was against us left we changed to missionary, my favourite. Again I we started slowly and built up over the course of the remaining time towards a thrilling and satisfying climax. Alana indulged me in some 'dirty talk', telling me she wanted me to deliver my load hard and deep, which was an incredible turn on. She also permitted me to enjoy those scintillating moments of ecstasy, letting me withdraw slowly rather than just pushing me off as can often happen.

Alana was not comfortable with lip or French kissing (at least in my case),but this did not detract from what was otherwise a really passionate girl-friend type encounter.

Alana is an amazing and charming woman. A previous review describing her personality as multi-faceted is absolutely spot on. Treat her with the respect that she deserves and she will give you an experience you will not forget. I certainly won't, and intend to return. That is if she is available, and I would not be surprised if appointments with her are hard to come by! Just wish she spent fewer days in Milton Keynes, and more in London!

100% recommended.

Thanks Alana, and hope to see you again soon!
