Decent flat between Bayswater and Notting Hill. Nothing too fancy, but nice nonetheless. Would give a 7/10

The Lady:

Website images are sooped up, but no where near the worst I have seen. If she's 21, then I'm 18, Bunny is certainly in her mid twenties. Great little arse!

The Story:

Unfortunately I had to cut this meeting short by 15 minutes as I was called away, but still I would recommend Bunny. She's a pretty sweet girl and was dressed like a hooker when I arrived... which is something I was hoping for. Fishnets, high heels, the whole shebang.

Pleasantries aside, it was immediately obvious I was there to bust a nut and wasn't interested in getting to know her personally. She seemed chatty and friendly though, so if you're into that sort of thing then I'd say she's a good girl for it. I told her I wanted to shower, she obliged and I soaped myself quickly so I could get down to it.

We started with some OWO. Me sat on the sofa and her leaning over. With my freehand I did a bit of fingering, she moaned whilst on my cock and wasn't too afraid of a little light asshole petting :P

Johnnied up, she got on top of me, still in high heels and fishnets, else naked. Bunny has a very good body - she looks great rolling back and forth, and has a perfect arse to grab onto. She was really giving it to me, fucking me harder and harder, looking me straight in the eyes. It wasn't long before this experienced young lady had me tossing her to the side after I'd cum like a teenager.

Little bit of rest and relaxation, she cleaned up a little and I went down on her. On her back I fucked her missionary and doggy, she was up for moving around, and I was having a whale of a time.

That's until 5 consecutive phonecalls lead me to look at my phone, realising I had to dart off for a work emergency. Gutted to say the least. She seemed to find it funny and teased me, which I

thought was kind of endearing in its sordid way.

Not sure I would visit again personally as I like to try new things, but go see her and experience that body for yourself!
