The Premises:

GFE is in the old Wonderlounge building which has recently been refurbished to a very good standard. Nice welcoming reception and the rooms were lovely and clean with brand new showers. Very, very good!

The Lady:

Mid-30s, about 5'6", shoulder length blonde hair, blue eyes, lovely cheeky smile, enhanced boobs and nice shaven pussy that gets very wet.

The Story:

GFE had recently opened in Bury and although I have been planning to visit my plan A intention was a punt with Frankie at LM. Unfortunately, when I got to LM I found Frankie hadn't shown up for work, so I quickly rang GFE to see if Cindy was available; having seen her pictures earlier that day she had gone straight on to my 'to do' list. Thankfully she was, so I walked round the corner to the old Wonderlounge premises. I have to say they have really done a great job on refurbishing the building. The Wonderlounge was okay inside, but GFE is at Sandy's standards inside although the addition of mirrors on the room ceilings would be a good move. The receptionist at GFE is a bloke, which I found unusual, but he was super nice and couldn't have been more helpful. I was shown to a lovely room, which I think was the one I used to see the lovely Kerry in during her time at TWL - happy days!

Cindy came in just as I was drying off after my shower and she was really friendly and chatty from the start. Cindy is about 5'6" tall, mid-30s, has a lovely curvy body with nicely enhanced boobs, shoulder length blonde hair and a lovely smiley face. Really gorgeous! We started with the obligatory massage and chat and then I turned over for some lovely kissing with DFK - Cindy really kisses well and it is one reason I will return to see her. Kissing progressed to some lovely owo with lots of spit and eye contact. I returned the favour and spent a lot of time licking and fingering her lovely pussy - Cindy tasted lovely. She complimented me on my oral technique and said I was going to make her cum; she did seem to cum but with WGs you can't always determine the authenticity of their orgasms. Sex was also superb with spoons to start followed by reverse cowgirl and mish. Unlike Sandy's, GFE doesn't have ceiling mirrors so in positions such as spoons you don't get the

same lovely view of the action, but that is a minor gripe. I opted to finish with more oral and CIM which was performed well, although Cindy did wank me more than suck me towards the end. She spat my load into a towel, so no swallowing unfortunately.

So in summary, it seems like GFE is a good new alternative to Sandy's and LM and Cindy is definitely a girl who provides an excellent service. I intend to return soon, but for an hour next time.
