The Story:

I'd not seen Astrid before when she'd worked here many years ago and always loved her very positive reviews. Imagine my surprise when I saw her on the rota over this last number of months so I decided to make a visit.

I'd not noticed any recent reviews since she came back so I thought I'd report on my half hour spent in her company, certainly deserves one.

Tall girls get me going, especially those who have a beautiful smile and know what a guy wants, Brooklyns always have a girl on who meets my particular needs and Astrid most certainly did! I'd called in advance to ensure she was happy to do as I asked and the answer was yes.

Great body, great OWO finished with her riding me cowboy style, interspersed with her delivering my fetish, heaven on earth. Hope to see her again when next in Crewe, highly recommended!!
