The Premises:

The upstairs flat was in a parade of shops between Sydenham & Forest Hill rail stations. It was very basic inside, but clean.

The Lady:

An attractive Hispanic girl, a dress size 12, with large DD enhanced breasts. I'm not a fan of fake boobs especially when there are visible scars. The only good thing was her large areolas, but it was a shame they were too sensitive to lick.

The Story:

A maid let me into the flat and I was ushered upstairs. I thought there would be a choice of girls, but Veronica was the only one working. The session was ok, but marred by Veronica's lack of English.

The session consisted of sex in the doggy and missionary positions and concluded with a slow hand job. No matter how hard I tried I could not get top stop gripping it tightly.
