The Story:

I had looked online before my visit to see who was on. When I arrived I was given a choice of 3 girls and chose Ashley as she looked really hot and naughty, oh and she had huge bobs! Went upstairs to the lounge and waited! She soon arrived and led me to one of the well furnished rooms where I undressed. I lay face down and she climbed on top and started my extremely sexy massage. She took her top off and rubbed her lovely breasts up and down my back whilst tickling and caressing my balls. Chatting was easy and she asked what I liked and whether I was interested in face sitting? Silly question. I then turned over to see the lovely boobs that I had felt rubbing up and down my back and I wasn't disappointed . She then started owo which I had to keep asking her to stop as it felt so good.she then lay back and I devoured her sweet tasting pussy . She kept asking me to stop as it appeared she was really enjoying my beard tickling her fancy!! Then she put on a condom and jumped on top for a fantastic fuck. Loved watching her boobs bounce as I shot my load. Then cleaned up and had a chat. Thanks Ashley for a fantastic 30 mins
