The Lady:

Abbie is a sexy brunette in her mid-20s. I had previously seen her in reception and decided that I had to make another visit to see her. She's really friendly + easy to get on with which is always a bonus.

Her photos on the website are accurate, she has a really nice body and a pretty face.

The Story:

I'd previously seen Abbie in reception on a previous visit, when I saw she was working I decided to make a booking, what a great decision that was!

We handled the paperwork when we got to the room and I jumped in the shower while she went back downstairs. Trying not to get water everywhere I dried myself off before laying down on the bed waiting for her return. She joined me shortly after on the bed, where she offered me a massage which I accepted. Abbie did a great job at this and followed it up with kisses up my upper back and neck which was lovely. I turned over, at this point Abbie removed her outfit and laid down at the side of me on the bed. She's a great kisser and seemed to like this throughout the session, its something I really enjoy too.

Abbie then started with OWO, this felt lovely and didn't feel rushed at all. Seeing Abbie doing this really turned me on, although there were no mirrored ceilings in the room there was a huge mirror which stood up at the end of the bed against the wall, this easily made up for it.

On with the condom and we started with missionary, we kissed throughout and after a while I finished. We had a little break at about the halfway point of the session. I wanted to return the favour and give Abbie a massage, I have no idea if I'm good or bad at this but I wanted to try to return the favour haha. During this we talked for a bit and got to know each other more. Really easy to get on with and she's got a great personality.

Abbie told me that she wanted to make me cum again during the session, I was up for that. Starting with more OWO we then put another condom on, we moved onto doggy-style for a bit. Seeing her

back curved onto the bed with her ass in the air was an amazing sight. After this we removed the condom where she then finished me off starting with OWO followed by hand where I finished all over her boobs. Afterwards we both got showered and dressed while chatting. Nothing was rushed during the whole time I was with her and overall I really enjoyed myself. I'm sure I'll be back soon.
