### The Premises:

Great flat in West London, clean and love all the mirrors.

### The Lady:

Tilly is beyond gorgeous - face, body and mind. Her photos do her no justice - amazing in the flesh.

### The Story:

I'm new to visiting escorts. Had only seen one before meeting Tilly, but my life philosophy is that if you find gold you don't have to keep panning.

Tilly is GOLD. Have seen her twice, plan on seeing her more. She is very high energy but does not how to slow down and draw things out.

Intelligent, witty and fun to talk to, which only makes her sensuality that much better.

Knows no limits and aims to please... in fact, exceeds in pleasing. If you think you are done, Tilly will make sure you rise again for more.

I feel conflicted about posting this review, because I don't want to tell everyone about the gold I found, but I will say this: treat her right, and you get it back in spades.

Likes morning sessions too, an amazing way to start the day.

Tilly. Is. Gold.
