The Premises:

Victorian block of flats, modernised apartment, very private and modern bathroom facilities ; close to public transportation.

The Lady:

She is stunningly attractive with slim tall body; she is around 5ft 7inches. Her pictures understate her beauty;

The Story:

We communicated by email and I told her that I would really like a roleplay which consolidated both a GFE experience as well as some kinky things such as body worship; she asked me to define a scenario prior to my arrival. I outlined a kinky relationship between a step mom and her son ; I also asked for a hybrid session incorporating both domination and submission.

When I arrived she received me graciously and with warmth; she went over our roleplay scenario and edited in what else she liked. These were meticulous details which she acted out;

And then we began the roleplay for two hours; she was so exciting and sensually arousing.

It was an Oscar performance and I was turned on for the full session;

Furthermore she was authentic and in her dominating segment demanded within role

that I help her reach the first orgasm; we then switched and she asked me for an OTK spanking;

This excited her and we continued our elaborate screenplay;

My only negative was the time went very quickly and I wish I could have extended the session to an entire overnight.

I rate her extremely highly for all round sexuality, sensuality, personality and communication;

I will definitely see her again. Strong recommend for this adorable woman
