The Story:

Came to hers a bit late did it as a last minute thing and for some time I had been wanting to see her. I requested the bikini and she was looking very slutty!

I had a shower (unassisted) and after met her in her room and she stood looking like she was ready to be fucked. She dropped to her knees and stated sucking my cock. Licking around the head and taking it deep. As she was looking at me I was calling her a dirty fucking slut. we moved by the mirror and she stated going nice and deep and looking at this whore in the mirror made me fuck her mouth.

I then lied on the bed and she stuck her tongue deep in my arse and as she did in i pushed her head down my arse.

I then guided her head to my cock and fucked her mouth more rubbing my cock all over her face. Then down again to lick my arse.

Mercedes then rode my cock. Such a tight bitch!!

I then got on top of her and opened her legs wide fucking hard. She then played and licked those big tits and i couldn't hold it in and more!

Pulled out of her tight pussy and knelt over her face wanking my cock all over her face and licking my cock and sucking it I rubbed my cock all over her face calling her a fucking whore and came all over her slutty face covering her and getting her to suck the cum out of my cock.

an amazing submissive slut.
