The Lady:

usually the ladies are not as good as the pics and have seen many reviews when they say she was better than the pics only to think that they should have gone to spec savers !!!

In this case she is MUCH better looking than the pics and had a great body and much nicer looking than pics. She was a,so a great girl

Get some better pics you are much better looking in the flesh.

The Story:

I am conventional, ro, owl, and a good f***. She ticked a.l boxes very nicely thank you. I would certainly see her again which I would not say of many.

Was a great meeting good attitude, friendly what more could you ask.

Please treat her well lovely lady. Looking forward to seeing again
