The Premises:

A nice apartment in a garden square. Quiet location close to tube. The apartment is very clean and clean towels in the bathroom. Good shower and a relaxing location.

The Lady:

Alondra is a green eyed beauty. Brunette, nice athletic figure and nice boobs and bum. Very friendly and speaks very good English. The pictures are not as good as Alondra is in real life.

The Story:

Found Alondra's place easily and received a really warm welcome. She is a fantastic sight on first meeting her, she obviously makes a big effort for her clients and was wearing a very sexy dress. I am a bit new to this game but Alondra made me feel at ease quickly. After a good shower come out, in my rush I didn't quite dry my back but Alondra very gently took care of that and was then straight into action. Alondra could easily be a model and it was great having her total attention. Suffice to say she is very good at her job and seemed to enjoy herself, going slightly over time, and is ideal for a new punter such as me. I shall see her again.
