The Premises:

Big new housing area outside Northampton. New apartment therefore and perfectly clean with comfortable big bed.

The Lady:

Ammy is simply gorgeous. She is 24, Romanian and very small but elegant and pretty in a cheeky girl sort of way. Body is amazing with a woman's breasts and a girlish gorgeous bum. Her English is good and she laughed us through in hiccups in understanding and is perfectly capable of making little jokes or putting you in your place with a sparkle in her eyes.

The Story:

I loved just running my hands over her youthful-looking body with those lovely boobs and perfect bottom.

We kissed frequently and she moved us on to do OWO. Then the sex in variations of missionary was great simply because of Ammy being so lovely to look at. No sense of artificial moans and so on but there were signs of Ammy getting into it, little noises and sometimes pulling my head closer to her.

No sense of rush and I left a very happy man and wishing I could see Ammy regularly. But she seems to move around the country.
