The Premises:

A secluded flat. It was deliciously decorated and very tidy. There were porn movies playing but I really didn't take any notice - why would I with Demi there!

The Lady:

Demi is far more gorgeous than the photos. She is deliciously slim but curvy in all the right places (Oh how I wish I had that body) and moves like a cat. Her skin is like silk. Her smile is to die for.

The Story:

It was a very warm day and it'd been a rush to get to Demi so the shower was much appreciated as was the time to get dressed. I am a tgirl and wanted to dress appropriately. Demi was very appreciative of my tarty look which calmed me and made me feel real girly. Her chat was very friendly - much like a girlfriend and she offered dressing and makeup advice which was so thoughtful.

I decided on tie and tease and it was delicious. She oozes sexiness and combined with the firm but not vicious treatment (the sort you get from most dominatrix) she was able to keep me in ecstasy for almost more than I could take. I adore her.
