Flat in a quiet location, easy to find. Double bed in a small dimly lit room.No Mirrors!
Decent shower , however broken door to shower so be careful.

The Lady:

Looks slightly like the girl in the photos. She now has a bob hairstyle. Slim with toned body and enhanced boobs.Also No trimmed bush!Fully grown down there.
Pretty girl overall.

The Story:

Honey is sweet, however her service was a let down. She was constantly on her phone throughout, even while massaging me in between rounds. No assisted shower. Constant clock watching, 1st round was so so owo and normal sex. Second round was anal, however she removed the condom 5 minutes in and said times up! I didn't even finish. There was 15 minutes still left. She made it clear there was going to be no more, so i left. So out the door within 45 minutes and very pissed off.
