The Premises:

Lifting from a previous review, Cosmopolitan is an established Sauna in Portland Street Manchester it's on the second floor of the building. It's open 7 days a week from 11.00am to 4.00am shifts change at 8.30pm. [From this I gather, this is not the best time to visit as there is a bit hustle and bustle] New to Cosmopolitan, its best to try and walk to the location as parking is a bit hard to come by and the flow of people does mean that it's not private but it shouldn't be an issue. Again, there is complimentary alcohol to help take the edge off things.

The Lady:

Shoulder length English strawberry blonde with a Liverpool twang, early to mid twenties, slim body and a friendly attitude and quite a prim look about her. Her phone description matched the appearance except she seemed a lot prettier in person. She's new to Cosmopolitan but the lowdown is Friday will be her day and that she does a fair range of services as I have found out.

The Story:

After having a shower, Ellie gave me a nice massage with a friendly chat about the everyday that helped take the edge off things. However, the most beautiful feel of Ellie's pert breasts and nipples rubbing against you was pretty steamy. Flipping me over, I could see her impressive breasts and then she asked how I took my oral. (Opted for OWO) After a pretty awesome set of oral skills leaving my senses tingling, something unexpected since I did advise the equipment downstairs was feeling unresponsive as of late, Ellie kept it going and after some kissing, it led to her on top and then a bit of missionary. In the end, I opted for a OTC to end what was looking to be an awesome engagement. Ending in true style, Ellie was friendly to the end and, although a messy clean up at the end, I would still recommend Ellie and would see her as a popular addition to Cosmopolitan. Definitely worth a visit considering I nearly went through OWO to OTC in my first meeting with her.
