The Premises:

Easy to find and staff are very attractive, helpful and discrete. Studios are clean and have shower facilities.

The Lady:

Smoking hot. Wasn't expecting her to be as hot as her pictures but she is. Very pretty face, slim body with enough tits and backside that could have been breakfast, lunch and dinner. Conversation was natural and easy and she's a lot of fun too - I was regaled with an astonishing array of accents which make me think Hollywood must be beckoning. So get in while you have the chance chaps!

The Story:

I asked for a gentle massage and it was sensual and relaxing. I was hard from the moment I saw her and the massage ensured it was going nowhere. Based on previous reviews I offered her a massage and it was wicked fun. I was informed of what was acceptable prior, which seemed fair enough as she's so good looking it'd easy to get carried away. Very professional and great fun. A previous review said about being torn between protecting and ruining her. Easy: ruin.
