The Premises:

Discreet non-residential location, with own private car parking. Neither entrance nor car park are over looked.

Well appointed establishment with a friendly reception.

The Lady:

A pretty mixed-race lady, with curves in all the right places, she has short dark hair and brown eyes. She has ample breasts. The website says she is a size 12-14 and both her photo and description match reality.

Katie is friendly and teasing and was very teasing; in an enjoyable manner.

The Story:

I phoned ahead to book the "Mistresses Lair" aka dungeon, which is as described on the website if a little more compact than the impression the photos on the web site give. It is supplied with good quality equipment.

At the initial discussion I identified my likes and desires. I won't go into details ...

Although Katie is not the establishment's regular mistress, she told me she had some ideas (which she kept to herself), adding to the anticipation.

She took me to experiences that I did not think possible, keeping me on the edge for ages, fucking me hard, and producing a huge explosion at the end.

Will I be back - Absolutely; if I'd had the money I would have gone back for seconds the same day!
