### The Premises:

A modern salon about a 10 minute walk from Welling railway station. It was very clean and comfortable.

### The Lady:

A mature, East European woman who alas had a rather lived in body with obvious signs of child birth. She was, however, very friendly.

### The Story:

This was my second visit to this address. The first time I saw a young girl called Melissa. The session began with a really relaxing massage. The turnover moment arrived and I received oral without and slow masturbation. I declined the offer of CIM and instead came over her mouth.

I left feeling very relaxed, but a tad disappointed.
