The Story:

When she opened the door I was very happy but then the whole meeting turned unfortunately out to be not good: I wanted one hour of GFE with OWO and DFK. Dior Agency had confirmed this but Monica was generally unenthusiastic and would not do any DFK but only engage in the most superficial kissing. OWO was mediocre at best. Surprisingly when I thought that it would all be a big disappointment, sex in missionary turned out to be a bit better but maybe that was only because she saw a chance to finish early. Throughout the whole encounter she tried to speed up things as much as she could and after a while I gave up fighting for the full hour I had paid for and just came. Including shower and undressing and dressing again I had stayed for 40 minutes! When I told Dior about the bad experience they just ignored it.
