Good looking Eastern European girl: blonde, slender, smooth skin. Plus very lovely large tits.

The Story:

It seems she gets mixed reviews. In one of them I had read "Waste of time and money! Very bad service. No DFK, no GFE, no OWO (although the agency website says these services given) she declined. She was very rude and didn't seem interested in doing anything". And while my experience was not as bad as that, I can confirm: no OWO, no DFK, no GFE despite her profile. She also does not like to be touched. In the end I concentrated just on fucking her which was thoroughly unremarkable - we did not even change positions.

She clearly tried to minimise her engagement and her time. I cannot confirm any rudeness as she was very friendly to me throughout the encounter, but she clearly does not care about providing a good service. Pity as the "hardware" is clearly there.
