The Premises:

Well known and perfectly pleasant in every way.

The Lady:

Exactly as shown in the pics and indeed she was wearing the same black outfit or one very similar. Big hair with a real style about the waves and a very ready smile, this is one very attractive and confident lady.

The Story:

A total delight. We had met about a year or more ago but Toyah instantly recognised me and happily her face broke into a wide smile and that was just in reception.

In the room Toyah was all cheekiness, making her delicious bum available straightaway and letting me kiss those magnificent boobs.

We talked with an easy spontaneity from the word go and also let each other do sensuous or plain naughty things to each other.

OWO became being ridden and then I took over and Toyah's responses were very genuine and intensive.

We relaxed a little afterwards and sorted out each other's lives before Toyah finished things off with a back rub even though time must have been up as we had done so much and talked so much.

I have no idea why I have not seen Toyah more often other than her day not matching my days off when I could get to Northampton.

She is a star.
