The Premises:

Apartment block near Staples far away from the main shopping area - parking was a little bit of a challenge. Buzzer door entry then a lift to the lower floor (got confused with this!)

Clean room with a decent bed, shower facilities in a separate bathroom down the hall.

The Lady:

Stunning Portugese girl, early 20s. Fit body with lovely olive skin. Enhanced boobs but not massive, lovely pert nipples and a super fit arse!

The Story:

Chose Bianca from the list of three for the day because of her photos and the services she offered. Grabbed a quick shower and Bianca was in the room by the time I had finished. Knee high stockings and a matching bra and panties. Got the paperwork out of the way and she immediately removed her bra to reveal a greate body. Started with some kissing which was not FK as shown on her list. Got on the bed and she asked if I like oral with or without - without of course - gave some good oral although a little tentative, asked her to straddle my face - 69 she asked - what else? Lovely tight and sweet tasting pussy, certainly not able to take a fisting as shown her list.

Started with me on top, she was concerned by my size although I wouldn't say I was that big! I then asked her to come on top - what me? - who else?? Grabed that fit arse and took charge, made those lovely boobs wobble - she grabbed them to steaady them! Finished off and she immediately wanted him out - I wanted to enjoy the moment but no chance. I guess I got 20 mins max.

Not the most engaging of punts, quite mechanical, she seemed not overly keen on her job? If you want to punt with a beautiful girl with an amazing body then Bianca is the one - if you want more than that I wouldn't recommend her. Please don't put on your profile things you don't or won't do.
