The Premises:

A familiar place that was used years ago by one of my favourites. In very good condition and furnished well. Bathroom with shower.

The Lady:

Simply pretty is not enough - drop-dead gorgeous with a killer slim body including lovely boobs and superb bum. All helped by her easy manner and very good English.

The Story:

I had heard a lot about this lovely lady and so I was looking forward to meeting her.

She is as impressive as she comes across in all her forms of communication so we were soon at ease with each other and able to say what we wanted or didn't want.

Had a stand-up cuddle, kisses and stroke in between Raquel removing her clothing and my hands straying to each bit as it was revealed. Raquel has a wonderfully smooth body that I couldn't keep my hands off and Raquel's hands also sought things to keep them busy.

Onto the bed and more cuddles before Raquel gave me oral (with as I am not bothered about with or without). We then moved into a delicious 69 session I could have stayed in for hours.

Then sex from behind until I was satisfied.

Raquel responded in a believable way to my various efforts and I certainly had a brilliant time.

A girl to visit time and time again if you know what's good for you.
