The Premises:

This upstairs flat is not far from the Welling United football ground. It is just around the back from a small parade of shops near Morrison's supermarket. It isn't very discreet, but mostly only motorists use the road. It is very clean inside.

The Lady:

A very pretty, light skinned Romanian girl with C cup breasts. There are other girls who use the flat and the owner usually takes the calls.

The Story:

An enjoyable, albeit unconventional experience. The best feature of this punt was Victoria, who is educated and really pretty. I think she is new to this game. The unusual feature was me watching Victoria masturbate. That is a real turn on when it's for real and not faked. Prior to that she stroked me to an erection. I was so enjoying talking to her and watching her really going for an orgasm that I didn't come myself. Was I disappointed? No, not a bit.
