The Story:

Terrible terrible terrible. Enough to write post to warn others.

Greeted me by calling me the N word! I found it quite cheeky and slightly funny so I continued. However by the 4th time I should hAve left. By then I had already paid. Thought her personality was quirky so gave her a chance but she's just loony. Should have left when she tried to jokingly take payment herself from my wallet. Also earlier I texted asking for black lingerie and she said yes, but when I arrived she didn't have it!

The sex was 'get on bed' quick oral, couple more N words, 'ok time for sex hurry up'. Not very enticing. Came. It was rubbish like her. Then as leaving she thought she'd inform me she might quit as she's made £70k in 5 years and wants to go to Turkey to live.

Wish she could leave me my £50 on way out of country. AVOID!
