The Story:

First time at gfe. Buzzed the door and entered .Greeted by the most friendly receptionist. Chose Crystal from the available girls (something about a Geordie accent I can't resist). Had a shower and in walked Crystal. Couldn't take my eyes off her. Amazing kisser, I was hard straight away. She continued to kiss then gave me the most amazing OWO, deep throat and plenty of eye contact. She positioned herself so I could taste her amazing pussy and ass. Could have stayed like that for hours. Sex was incredible meaning I didn't last much longer. Crystal then gave me a great massage, had a good conversation, followed by some more OWO before I had another shower and left, shaking and smiling. This woman is incredible and I will definitely be back for more of the same soon. Hope to see you again real soon
