The Lady:

Rachael is a stunning sexy brunette with a great curvy figure and breasts to die for, great legs and a stunning smile. She is precisely as in her photos, although far prettier in the flesh, a beautiful sexy lady.

The Story:

I booked Rachael for the second time, this time for 2 hours, I cant seem to get enough of this beautiful lady. I made sure I was perfectly groomed, shaved and had applied my best aftershave in all the right places, this lady deserves that you take pride in yourself when meeting her for the best massage and happy ending I have ever had.

Rachael started on my legs with deep tissue massage from her thumbs, helping some old rugby damage melt away, working here way up my back around my shoulders and blades which I had damaged in a fall recently, it was great the way she applied pressure in all the right places. The B2B on my back with those magnificent breasts was so erotic.

I turned over and then more B2B before a happy ending like the eruption of Vesuvius.

Showers in the room, fresh towels, left feeling great after such a great time.

Throughout the 2 quickest hours of my life Rachael is great fun to chat too on all manner of subjects, laughing and joking all the while, it all past too quickly and I can't wait until the next time, Rachael s special, treat her well, she deserves it.
