### Details of Service Provider:

### The Premises:

Flat off a residential road in Seven Kings, parking available on the road nearby.

### The Lady:

Julya was in a red dress, and I could see that it was gonna be great. Height states 5'6" on website, I would suggest more likely 5'3". E.European, although I didn't ask. Not skinny, huge breasts with big nipples. Pics do not really do her justice. Best description I could give is, she is just like Brandy Talore with black hair.

### The Story:

Julya kept in contact via SMS following confirmation of my booking. After initially struggling to find the place, I called her and got clear directions. Once in was shown into the room, and exchanged the money for 30 mins. Was offered a drink whilst she popped out the room for a minute. She returned and stripped off to reveal probably the best big natural breasts I have ever seen. She asked me what I wanted, as she wanted me to be happy with the service.

What followed was OWO, Reverse 'O', Sex in a series of positions.. And got to feel, and suck on them huge breasts and nipples. she was very accommodating, and didn't feel rushed to cum.

Provided a towel to take a shower afterwards too. If you want someone with huge breasts, she is definitely worth visiting. Definitely want to see her again.
