The Story:

Came to London last week and just wanted to experience something new. I had my 'watch' list always handy and decided to go for Ivy from Mermaids, mainly because she appeared to have the looks and be open minded. She looks even better in person, pictures are very accurate and I did enjoyed my time with her. Great oral, had time for two pops during our session and both times she took it eagerly. Made me feel really at ease at all time, no rush, more like the Gfe type. Glad I met her and since I don't visit same girl twice at least a recommendation was appropriate. Treat her good and you will be amazed what skills she knows.
