The Premises:

Unit on an industrial estate. Was discreet as place deserted on a Sunday, not so sure about a Wednesday afternoon!

Paid at reception before meeting Gemma as she was finishing her lunch.... and was led downstairs to a large room with a massage table, bed, Jacuzzi, and shower.

The Lady:

Pretty lady, although more size 14-16 as against a 12. Nice boobs and bum.

The Story:

On being led to the room, I confirmed the services that I have requested, namely watersports and strap-on with Gemma and was left for 5 mins to have a shower. It took an age for Gemma to return which I viewed as potential timewasting tactic, although this later proved to be unfounded as midway through our time she confirmed that we still had until 3pm.

Started with Watersports in the shower before moving to the bed. Gemma asked me to go down on her to start with, before at my suggestion moving onto owo. Gemma was happy to use the strap-on, but getting it on proved a challenge as one of the straps was broken, but we managed to get her into it. After a good session, I blew my load over her ample chest.

Gemma suggested moving to the Jacuzzi and we spent some time talking about plans for the weekend. There was an offer to try for round 2, but I declined.

Gemma is a good looking lady, but I felt that the punt was rather mechanical which is why I left a neutral recommendation.
