The Lady:

Super sexy red head - stunning figure - much slimmer and more toned than in her pics - happy, smiley, warm, kind, giving, gorgeous long legs in killer heels, perfect breasts, very clean sweet tasting pussy, you'll want to devour her!!

The Story:

She knocked and entered, wow, blew me away!! Stunning perfect girl, wearing heels, bra and G-string with garter belt, no stockings though which was a shame! She put the heater on and i warmed up my hands as i stripped, then i looked up and off had come her bra and knickers. I stepped towards her and cupped those perfect tits in my piping palms, she smiled positively!! I am a breast man and took great delight in gently licking and sucking on those incredible nipples, whipping them into frenzy till they stood firmly to attention. I knelt behind her model like peachy ass and kissed both cheeks before standing up and letting Bianca drop down and swallow my solid cock deep between her tender red lips!! I moved onto the bed giving her breasts some more thorough attention, then wandered down between her slim but toned thighs and got to work licking and kissing her wettened pussy, gorging in the sweet nectar seeping from within. On with the protection and i eased my solid tool deep into her glistening hole in mish, making sure i could work on her glorious tits with every controlled long slow stroke, just the way i like it, real GFE than PSE, my preference!! Concious my time is nearly up so let the pleasure just flow as my rhythm increased and i exploded deep inside her warm tight pussy!! We chatted as we changed and cleaned up, would love to come back and repeat this experience - an amazing Tuesday for sure!!
